The funds received from ESA Humanitarian Relief Fund were meant for the promotion of schooling and education of the children coming from families which have been leading a life under vulnerable conditions, and are in the verge of dropping out.

Under this activity, a total of 60 HIV Positive girl students who are studying in different schools in Nandyal, and Adoni, divisions in Kurnool District, were supplied with educational study and learning material, Dry Ration Kits, Nutritional food kits and bicycles.

The nutritional kit included 17 nutritionally rich food grains which have been listed in the box.

The study material included a total of 5 items which include:

- School bag
- Mathematical instrument box
- Note Books
- Study Material
- Sanitary pads (for use for 12 months)

The distribution of these items was done in two different events organized in these two places.

NANDYAL

In Nandyal town, the programme was organized on 8th January 2022. The programme was organized in CKB Office Premises. The programme was attended by Mr. Issac Basha, Member of Legislative Council, Dr. Anki Reddy, Additional D.M. & H.O, Nandyal, Mr. Hyder Ali, District AIDS Control Officer, Kurnool, Mr. Shasha Vali, Vice-Chairman, Nandyal Municipal Corporation, and Ms. Sudharani, Coordinator, Nestham programme. The chief guests have advised the children to focus on their studies and pay utmost attention to pass out with good marks. They encouraged them to set aside the stigma of coming from HIV Positive families, and show their talents in academics and other spheres of life. Further, they have advised the fellow students to feel these children as their family members and mix up with them. They explained that HIV/AIDS does not spreads through touching, moving together, playing together etc.

During this event a total of 20 identified girl students, studying in 8th and 9th classes were supplied with nutritional food kit and Study Material. In addition to this, 20 identified girl students from 8th and 9th classes were supplied with bicycles.

The children have expressed their heartfelt thanks to ESA Humanitarian Relief Fund, Netherlands, for the support extended towards them.

Speech by Mr. Issac Basha, MLC, and distribution of Nutritional kits and study

ADONI

In Adoni town, the programme was organized on 1st April 2022, in Arts and Science Degree College, Adoni. The programme was inaugurated by Mr. G.V. Krishna, Municipal Commissioner. The other honourable guests for the programme included Ms. Satyavathi, Additional D.M. & H.O, Adoni, and Mr. Sudhakar Rao, Principal, Arts and Science Degree College, Adoni, and Ms. Sudharani, Coordinator, Nestham programme.

During this event a total of 40 identified girl students, studying in 8th and 9th classes were supplied with nutritional food kit and Study Material. In addition to this, 20 identified girl students from 8th and 9th classes were supplied with bicycles. Speaking on the occasion, the Municipal commissioner said that every person should inculcate the habit of helping others. He called on the beneficiary students to be bold to face adverse social status, and live upto situations and face them. He appreciated the efforts of CKB to get support these children with the support of humanitarian funds received from ESA Humanitarian Relief Fund.

Speaking on the occasion Ms. Sudharani, from Nestham said that there about 11000 families which have been either infected or affected with HIV/AIDS. This include hundreds of orphan children,

semi-orphan children also. But, the challenge for them is to stay strong mentally, overcome the social stigma and mental trauma to prove themselves.

She appreciated the efforts put-in by Chaitanya Kala Bharathi, with the support of ESA Humanitarian Relief Fund in supporting these children and enhancing their confidence to continue their studies and prove their talents.
