Global Compassion Inc.
USA.

With the support of **Global Compassion Inc., USA**, **Chaitanya Kala Bharathi**, Nandyal has distributed Educational Material and Nutritional Food Grains to 28 identified children suffering with Thalassemia. This distribution meeting was organized at Kurnool town ON 25th August 2024.

The chief guest for this program was Dr. Kumari Keerthana, MBBS, Medical Officer, Govt. General Hospital, Nandyal.

A package containing 15 types of food grains were supplied to the children, who were present on this occasion along with their parents.

Speaking on the occasion, Dr. K. Keerthana, Medical Officer has advised the children and their parents to pay best attention to the health care of their children and promised that any required medical support will be extended to them at any time. He appreciated the efforts of CKB for caring the nutritional needs of these children, and also requested the President of CKB to extend her gratitude to the supporters, **Global Compassion Inc. USA** for extending such a great humanitarian support to these needy children.
