PROGRAM AT ADONI

The distribution program at Adoni was organized on 6th July 2025 in **FAITH HOME FOR ORPHANS CHILDREN**. The Chief Guest of the program was Dr Bishop Daniel Prem Kumar, who is the founder and chief of the Home where these vulnerable children are taken care.

Other guests included the staff of NESTAM Project (For Rayalaseema Region people living with HIV/AIDS welfare Society) which is extending its support work for the HIV/AIDS infected and affected families. On behalf of CKB, Ms Varalakshmi and Mr. Vijaya Bhaskar have represented.

A total of 19 girl students were supplied with Educational and Study materials which included Notebooks, Reference Materials, Geometry Box, measurements scale, Erasers, Sharpener, pencils, to support them in their academic performance. These girls were also provided with Sanitary Pads as a part of promoting their health and hygiene, with specific reference to Menstrual Hygiene.

Speaking on the occasion the chief guests have encouraged the children to focus on their education and not on any other aspects which may lower their confidence. They have explained that they are as good as any other citizen in the society and there is nothing to worry about themselves and their future.

The chief guests and the children were very happy to get supported by SICEWT, UK and they have shared their gratitude through CKB.

PROGRAM AT KURNOOL

The 2nd program of distribution of study and educational materials to the identified vulnerable girl students was organized on 11th July 2025 at Kurnool. It was organized at Nestam Positive Net work, office in Kurnool.

The Chief Guests of the program included Dr Ms. Udayni, MBBS Medical Officer ART Centre, Dr. Subbarayudu (Retired Medical Officer) Mrs Sudha Rani, District Coordinator NESTAM, and Mr Raj Kumar, representative of the NGO Share India National. Mr. Vijaya Bhaskar and Ms. G Varalakshmi represented on behalf of Chaitanya Kala Bharathi.

A total of 14 identified girls were presented with the study and educational material and also with kit of Sanitary Napkins.

The chief guests, who are technically from the medical background have spoken to the children in a very counselling voice and assured them that they are as good as any normal person, as long as they take a minimum care of their health, and ensure that they take proper food and prescribed medicine. They were optimistic that there will be a perfect medicine soon in the market that treats patients with HIV/AIDS and also gives them back their vitality.

The chief guests and the participating children have requested CKB to pass-on their gratitude to participated in this program SICEWT, UK for supporting them in such a kind manner. They requested that their thanks to be send to all those who are involved in this humane act of support.

PROGRAM AT NANDYAL
