

CHAITANYA KALA BHARATHI

Annual Report 2024-25

D.No.29/178-22H

S.B.I. Colony, Opp. Ramalayam Temple, **Nandyal – 518 501**

Nandyal District. Andhra Pradesh

Website: <http://ckbndl.org>

HOME FOR SENIOR CITIZENS

Both Nandyal and Kurnool Districts (erstwhile Kurnool District) are severely drought-stricken districts, with a lot of povertied population, particularly coming from the agriculture and agri-based labour communities. Family migrations are very common in this area, and also a lot of senior citizens being either not taken care by their kith and kin or being deserted by them.

These people are seen living on the footpaths of the roads, in and around the railway stations, bus-stations, and near the hotels and restaurants bearing the hot climate during the day time and the cold conditions during nights. The survive by begging from the passer-byes, and sometimes have to spend a day with a one-time meal or even less than that. They do not have any scope to take a bath or to maintain personal health and hygienic conditions.

Looking into these pathetic conditions of these senior citizens, Chaitanya Kala Bharathi has initiated small funds from a few service minded people, and having its own facility at Velgode village in Nandyal District, has started a Home for the Senior Citizens. Hence, the Home is basically to support the uncared senior citizens of both sexes. However, it is not a limitation or criteria for taking in any senior citizen in dire situations and in need of care and concern.

At present the Home has got some basic infrastructure which includes

- 1) Total Living Rooms : 5
- 2) Dormitories : 2
- 3) Kitchen : 1
- 4) Store room; : 1
- 5) Open Dining Hall (under the trees)

- 6) A Main Hall cum meditation Hall
- 7) Five bathrooms and 5 toilets

The Home has 40 Cots available to accommodate 40 inmates. At present, the home is run by the organization with the support of like-minded people coming from different parts of the State. They are providing us Ration, and a few day to day needs. We would like to thank them for their generous support to take care of these senior citizens.

SICEWT, UK

Educational Support to Children under Vulnerable Health Conditions

During the period under reporting, SICEWT, UK was kind enough to support Chaitanya Kala Bharathi to support the children (students) suffering with vulnerable health conditions. As a part of their support they have extended support to a total of 100 children with educational study material, Sanitary pads to the girls and also Nutritional Food kits.

Under this project a total of 100 students were supplied with the above said material in Anantapur district during a program organized in the IMA Hall. The Trainee District Collector, Ms. B. Vinuthna was the chief guest along with Mr. Niranjana Reddy, the Secretary, IMA, Anantapur.

Mr. Vijaya Bhaskar, the Chief Functionary of CKB, and Mrs. Varalakshmi, Board of Director of CKB have participated.

In addition to the supply of study material, and nutritional food kits, a total of 100 adolescent girls were supplied with sanitary pads as a part of promoting personal and menstrual hygiene.

MGuirdham Trust for India, UK

Nutritional food kits for Thalassemia children

MGUIRDHAM CHARITABLE TRUST, UK was kind enough to sanction the project and to supply Nutritional Kit to 40 children suffering from Thalassemia, for a period of 5 months. The kit contained 15 items.

The Distribution

Post-sanction, the organization has organized Distribution programs every month and distributed the kits to the children in the presence of their parents or their guardians.

The 5 meetings of distribution were organized as per the dates given below:

- 1) First Month : 25th August 2024
- 2) Second month : 18th September 2024
- 3) Third Month : 5th October 2024
- 4) Fourth Month : 16th November 2024
- 5) Fifth Month : 2nd January 2025

The District President of Thalassemia Patients Association was also present on this occasion along with the Staff and Board member of CKB. The chief guests also included Dr. K. Sreenivas, Prof. Micro-Biology, Govt. Medical College, Nandyal and his team working in the College.

The children and their families were very happy to receive these kits. They have expressed their gratitude to MGUIDHAM CHARITABLE TRUST, UK for this kind support and also thank Chaitanya Kalaya Bharathi, for being so kind to distribute the kids with utmost care and concern towards them.

SOS-ENFANTS ABANDONNES – ASBL, Belgium Support to Vijayawada Flood Victims

In the wake of severe flood in Vijayawada and its surrounding villages, there were scenes of havoc and trauma everywhere. Unexpected by such heavy rains flooding into the city, particularly in the low laying sub-urban areas and in the nearby colonies, the poor and wage earning families were forced rush to save their lives.

The situation was panic among the communities in this area, particularly for the lower class families who are mostly day-to-day wage earners.

Noticing the hardships faced by these section of people, Chaitanya Kala Bharathi has requested SOS, Belgium for immediate support, and SOS was kind enough to extend support to an extent of 5000 euros.

Having received the support CKB to procure 13 varieties of rat

ion items and distribute the same to the identified beneficiaries on 27th September 2024.

In total CKB has distributed food kits to 250 families in 4 main devastated areas covering 10 habitations. Each food kit costed Rs 1765. A total of 250 kits were given to the suffering families, and another 50 kits were given in addition for the very poor families having senior citizens who cannot go for any wage-earning works. Thus, a total of 300 Kits were distributed in all.

Thanks to SOS-ENFANTS ABANDONNES, Belgium for their kindness to support these victims.

ESA – HRF, The Netherlands Flood Relief in Vijayawada

Relief Fund, The Netherlands, to extend support to these families by way of supplying them kits of kitchen items so that they can survive without struggle for a couple of weeks. Accordingly, ESA was kind enough to sanction an amount of 4000 euros (₹3,66,160) to benefit 275 beneficiaries.

The distribution program was organized on 28th November 2024 at Metropolitan Mission Church, Gunadala, Vijayawada during which a kit containing different items has been distributed to the target communities. The cost of each kit was ₹ 1340.

The Chief Functionary of CKB Mr. Vijaya Bhaskar and other leaders of the local area have attended. The beneficiaries have expressed their heartfelt gratitude for the support extended to them by ESA-Netherlands, and CKB for distributing the same to them during their hard times.

BASID, Switzerland

Support to Vijayawada Flood Victims

Floods in Vijayawada and its surrounding villages have caused havoc in this reason, during the month of October 2024, leaving many families homeless, and struggling for their daily living, as they could not find any wage labour to survive. Particularly, those families which depended on domestic labour works and other such non-professional works.

Chaitanya Kala Bharathi, Nandyal has requested **BASID, Switzerland**, to provide grant-in-aid support to provide the suffering victims with a food grain kit to the families who have been suffering due to this natural calamity. Thanks to the kindness that they have sanctioned an amount of ₹4,75,000 for this purpose.

On receipt of the amount, CKB has organized the distribution to benefit a total of 350 families. The distribution program was organized in Metropolitan mission Church, Gunadala, in Vijayawada city on 12/11/2024.

The identified victim families have gathered there, and each of them were handed over a kit costing about ₹1340 containing 13 different kitchen items. This will last for almost 2 weeks or more for each family.

The program was attended by Mr. Vijaya Bhaskar, the Chief Functionary and Mrs. Varalakshamma of Chaitanya Kala Bharathi along with a few local peers. The recipient

beneficiaries have expressed their gratitude for supporting them during these difficult periods.

STRATHSPEY Charitable Trust, UK Flood Relief in Vijayawada

The severe floods that hit Vijayawada city and its surrounding areas have left a fearsome panic among the communities in this area. While the economically Middle class and Upper-class families somehow managed to adjust their day-to-day lives within a short period of time, the conditions of the economically lower classes, i.e., the daily wage labour, the street vendors etc. have turned miserable.

Noticing the hardships faced by these section of people, **Chaitanya Kala Bharathi** has requested **Strathspey Charitable Trust, UK**, thorough an application to extend their humanitarian support to supply them with a kit of ration which will help them to run their kitchen for a period of 2 to 3 weeks.

Strathspey Charitable Trust, UK was kind enough to sanction an amount of 1,62,995 which helped CKB to procure 13 varieties of ration items and distribute the same to the identified beneficiaries on 5th December 2024. A total of 120 beneficiaries have received a food grain kit worth ₹1264 each in a distribution event organized in Metropolitan mission Church, Gunadala, Vijayawada.

Chaitanya Kala Bharathi takes this opportunity to thank them for their kindness and on behalf of the communities also we pass-on their gratitude to **Strathspey Charitable Trust, UK.**

FUNDACION ROVIRALTA, SPAIN

Construction of Toilets and Bathrooms at SPITI, Velgode

Chaitanya Kala Bharathi is running an Industrial Training Institute (ITI), in Velgode which is providing technical education to about 160 students. This area being thickly populated with the Tribal communities known as “Adivasis”, and also by Daliths this institution is one of the major institute providing technical education to the youth of these socially and economically disadvantage families. Soon after the completion of their High School Education (10th Class) the students can get enrolled into this technical training centre. The institute is offering

courses in the trades of (1) Electrician; (2) Fitter; and (3) Diesel Mechanism. While the 1st and 2nd courses are of 2 years duration, the 3rd one is for a period 1 year only. These courses help them to seek employment either in Public, or Private companies, or start their own small entrepreneurship.

Chaitanya Kala Bharathi, has requested Fundación Roviralta to support the organization to construct Toilets for the students as a part of providing minimum basic facilities. Kind enough was the Foundation, which has sanctioned the request and released the Grant of Euro 2000.

As soon as the funding was received CKB has taken up the construction work and constructed (1) Two Bathrooms; and (2) Two toilets. The work was taken up with utmost care to ensure that the quality of work is maintained without any compromise. The labour was thoroughly monitored, and the quality was never compromised.

On behalf of the students of the Institution and Chaitanya Kala Bharathi, we express our sincere thanks to **Fundación Roviralta** for their kind support. We hope to continue their support in future too for different developmental activities.

AKTION SELBSTBESTEUERUNG, e.V., Germany **Drinking water borewell for Chenchus at Velgode**

The life in the Chenchu Colonies are full of hardships. They are devoid of even minimum basic facilities as they live either in the forests or in the foothills of the forest where there is very little chance to access facilities like transport, electricity, safe drinking water etc.

One such colony is that of Chenchu Colony located near Velgode village. There are about 45 chenchu families living in this colony. CKB during its visit has come to know that there is no drinking water facility for these families. These families are reported to fetch water from the streams that flow across the forest area, and also from the nearby irrigation channels that

pass through the agricultural fields. This water is, in many cases, contaminated with various types of chemicals and pesticides that the farmers use for their crops.

Aktion Selbstbesteuerung, e.V. Germany was kind enough to accept the application sent by CKB seeking support to dig a borewell, and provide the resident chenchu families with safe drinking water. They have sanctioned an amount of US\$3,290.

CKB has immediately taken up the activity of digging the bore, and completed it successfully. After digging the borewell, a cistern with 6 taps was also arranged, which is helping these families to enjoy the availability of water at their door steps and safeguard their health

SAMDASANI FOUNDATION, HONGKONG

Nutritional Food for Thalassamia Patients

Chaitanya Kala Bharathi has identified a total of 10 children of different age-groups who are suffering from Thalassaemia. These children come from 4 different villages around Nandyal town and belong to economically poor families who could not afford to provide qualitative nutritional food to these children which will help in developing the immunity and energy to withstand to the health problem they are suffering with.

Having contact **SRI SAMDASANI FOUNDATION, Hong Kong**, who have accepted the proposal to supply these children with a nutritional kit to make sure that these kids will consume healthy and nutritious food, Chaitanya Kala Bharathi has taken up the distribution of nutritional kits to these children.

In a small program organized on 7th June 2024, at CKB Office located in Nandyal town, all the 10 children were brought on to a common dais. The event was organized in the presence of their parents, where each of them have been supplied with a package containing 12 items. This humanitarian support extended by **SRI SAMDASANI FOUNDATION** has helped the children to get an opportunity to have nutritious and balance food consumed for a period of atleast one month, which will help them to boost their immunity and energy levels. A few visuals of the distribution can be seen by clicking on the picture on the left.

On behalf of these children and their families, CKB extends its heartfelt gratitude to Sri Samdasani Foundation, Hong Kong.

GLOBAL COMPASSION Inc., USA

Nutritional food kits to Thalassemia Children

This program supported by Global Compassion Inc., was organized at Kurnool and Anantapur towns to distribute Nutritional Food Kits to children suffering with Thalassemia and Sickle Cell diseases.

In Kurnool town, the program was organized in O/o. District Handicapped Association, Kurnool. The chief guests were Dr. Keerthana, MBBS (DEIC Medical Officer, Government General Hospital, Kurnool, and Mr. Parthasaradi, President of Kurnool chapter Haemophilia Society. Along with them were Mr. Vijayabhaskar, the Chief Functionary of CKB, and Ms.G. Varalakshim ,B.A.,B.L. one of the Board Members of CKB.

Totally 28 Thalassemia School children attended along with their parents, to receive the Nutritional food kits and educational material. Besides that we also supplied the educational material and sanitary Hygiene pads for 6 months. The children expressed their gratitude to you and your charity for supporting the nutritional and educational to our healthy purpose and better educational standards.

Another program was organized in Anantapur town, in the IMA Hall. This was attended by Mrs. Vanaja Akkamma, Project Director, ICDS, Anantapur, and Mr. Ramanjineyulu, President, HIV Positive Network. Mr. Vijayabhaskar and Ms. Varalakshmi from CKB attended this event also. A total of 72 children suffering with Thalassemia and Sickle Cell have attended the program and received the pack of nutriti on along with educational material. They all are happy and convey their gratitude Mrs. Indira and Ed Oskvarek from Global Compassion Inc., USA for their support.

Support to Child Health Care by Mr. Umar Sheriff, United Kingdom

Young boy **Abdul Azeez** is 6 months old and has no knowledge about the world – a very cute boy who doesn't know that he is suffering with a deadly disease - "Brain Tumour". The family is one of the poorest of the poor and has no sources of income or have any saved amounts to spend on the treatment of young Azeez.

This issue is brought to the notice of the Chief Functionary of CKB, by Vijaya Health Trust, Guntur, who contacted him over phone and explained the situation of the child. It was understood that it is a very expensive treatment.

CKB, from its side has contacted Mr. Umar Sheriff, who is one of the Board Members of HEAT Foundation, UK. We explained the situation to Mr. Umar Sheriff. Thanks to him for personally extending a monetary support of ₹1,00,564/- for the treatment of the child. This amount has been immediately sent to M/s. Vijaya Health Care Trust, Guntur, towards the treatment of the child.

On behalf of the family of young Abdul Azeez, and CKB, we would like to take this opportunity to thank Mr. Umar Sheriff for his kindness and humane support. We wish a very speedy recovery of the child with good health.

ONTARIO SECONDARY SCHOOL TEACHERS' FEDERATION (OSSTF), Canada **Free computer Training Literacy program for Girls**

Ontario Secondary School Teachers' Federation (OSSTF), Canada, was kind enough to sanction an amount of 2970 Canadian Dollars (₹1,79,500) towards training the educated girls in Computers and provide them computer literacy.

Chaitanya Kala Bharathi, has purchased a total of 10 computers with this amount along with required furniture to set up a computer lab which has been the computer training centre. During the year under reporting a total of 160 girls are benefited under the 3 months duration program, in which 8 batches were trained. This training helped them to learn (a) basics about computers; (b) the Operating Systems; (c) working on Microsoft Office Components; (d) Photoshop; and (e) working on Internet. Qualified instructors were appointed for providing them these trainings.

The classes were run in two batches of 20 girl each. The sessions were both theoretical and practical (with on-hand sessions). They were provided with simple literature and guiding material during the training period.

ALL THE SKY FOUNDATION, USA **10 Tricycles for persons with special needs**

Under this program a total of 10 children with special needs were supplied with 10 tricycles supported by All the Sky Foundation, USA, which is routed through Fresh Water Friends, USA. All the beneficiaries under this program were students studying in Bhavitha Schools, which are meant for the schooling and education of children with special needs.

In a program organized in Velugodu and Atmakur towns, the beneficiaries were supplied with these tricycles. The children and their families felt very happy to receive them as it facilitates their movement from one place to another in an easy way.
