

# OUR SUPPORTERS

*Partnerships that empower communities and transform lives.*

Chaitanya Kala Bharathi is deeply grateful to the foundations, charitable trusts, corporate partners, institutions and individual well-wishers whose confidence and generosity have enabled us to serve vulnerable communities. Every partnership reflects a shared commitment to creating sustainable and lasting social change.

## INTERNATIONAL FOUNDATIONS & CHARITABLE TRUSTS

|                                                                                                                  |                                                                             |                                                                                                          |                                       |                                                        |                                                                              |

## INSTITUTIONAL & COMMUNITY SUPPORT

We are also grateful to our local well-wishers, volunteers, community leaders, board members and general body members whose support, participation and contributions strengthen our mission and extend our reach to more communities.
