

Schooling & Education: Empowering the Next Generation

Promotion of quality education has been a cornerstone of Chaitanya Kala Bharathi since our inception. We believe that every child deserves the tools to excel, regardless of their socioeconomic background.

COMPREHENSIVE STUDENT SUPPORT

We provide students with the essential materials needed to perform with confidence and academic excellence. By ensuring every child has their own supplies, we eliminate the need for them to depend on others, fostering a sense of dignity and focus.

- **Essential Supplies:** Provision of Textbooks, Reference Books, and Notebooks to support classroom learning.
- **Learning Tools:** Supplying School Bags, Geometry Boxes, Pens, Pencils, and Water Bottles to ensure students are fully prepared for the school day.
- **Focussed Care:** We pay special attention to children from the most vulnerable backgrounds, including those from Jogini families, families affected by Leprosy or HIV/AIDS, as well as orphans and semi-orphans.

MOBILITY & INCLUSION

Recognizing the physical barriers to education, CKB—with the support of funding agencies and like-minded individuals—enhances accessibility for those in need:

- **Bicycles for Girls:** Facilitating safe and timely travel to school for girl children, reducing their reliance on expensive private transport.
- **Support for Special Needs:** Providing tricycles to children with disabilities to improve their mobility and ensure they can reach their classrooms without hardship.

SCHOOL INFRASTRUCTURE DEVELOPMENT

Beyond individual support, CKB invests in the school environment itself to create a safe and conducive space for learning:

- **Furniture & Facilities:** Supplying necessary furniture to improve classroom environments.
- **Clean Water & Sanitation:** Enhancing school hygiene by digging borewells, erecting overhead tanks, and installing taps to ensure a steady supply of drinking water.
- **Dignified Sanitation:** Constructing separate toilet blocks for boys and girls to improve sanitary conditions and encourage consistent school attendance.
